

Become a Society Member

As a society member of NBIS you are a part of a progressive movement of people dedicating themselves to a greater idea of equity and social inclusion. 100% of your membership payment, and any subsequent donation you may make, remains local and is spent on services for people with acquired brain injuries.

Membership Benefits

- Membership helps support us in meeting the unique and diverse needs of persons living with brain injury
- Members will be placed on our mailing list and receive mailings about special events throughout the year.
- Members are eligible to vote at the Annual General Meeting.
- Memberships cover a one-year period from April 1st to March 31st.

To become a member call 250-753-5600 Ext. 5 or drop off a membership application to the NBIS office during [opening hours](#).
