

NANAIMO BRAIN
INJURY SOCIETY

awareness • support • connection

Resource Hub

This list of services available on Vancouver Island is a work in progress. You can search by location, category or type of brain injury. You can also click directly on a category to view the resources on that topic. To view the specific resources on the map more clearly, please make sure to use the Zoom In (+) and Out (-) buttons in the upper left corner.

If you would like to propose that a particular service be considered for inclusion in this list, please click this [link](#) to email your request. Inclusion in this list does not imply endorsement, and omission does not indicate disapproval.

Please contact the NBIS Community Navigator worker for assistance with finding resources: 250-753-5600 Ext. 1. Outside of Nanaimo, we suggest that you contact your closest [Brain Injury Organization](#) as they are familiar with the services available in your community and are excellent sources of support, education and information.
